

ENDSLEIGH HOLY CHILD

VC ACADEMY

Information for F1 parents

Dear parents/carers

Thank you for your participation and support during this first Spring term. As new teachers to the school, we have very much enjoyed getting to know your children and have felt welcomed and supported by you in the tricky circumstances we are all facing. After the holiday break, there will be a **few changes** we would like to make you aware of:

- All home learning tasks will be posted on the FS1 Google Classroom and not on Tapestry. If your child has a sibling in the school, you will now only have one platform to manage. Everyone was sent login details last week so please check your access and get in touch with the school office if you have any issues.
- We will be hosting more live story-times and interactive phonics activities via Google Meet; dates and times will be published in the Google Classroom at the beginning of every week.
- As F1 children attend 5 sessions at school in normal circumstances, we will post a timetable of home learning activities at the beginning of the week for you to complete at a convenient time for your home situation. We will number the tasks Session 1 – Session 5 so that it is clear for you regardless of the part of the week your child normal comes in. We will structure a lot of the activities around one main book across the term (rather than a different book every week) and so consistent participation will be most beneficial for your child's learning.
- Children attending sessions in school will be accessing the same opportunities as above and it is not our expectation that they complete home learning as well.

We hope you have a relaxing and enjoyable half term holiday and look forward to continuing the F1 learning journey from Monday 22nd February.

Yours sincerely,

Miss. Brunning and Mrs. Meyerhoff
