Reading Intent

Reading is a priority at Endsleigh Holy Child VC Academy and we firmly believe in teaching pupils the value in reading for pleasure, as well as the academic benefits.

We believe that all pupils should have the opportunity to be fluent, confident readers who are able to successfully comprehend and understand a wide range of texts. We want pupils to develop a love of reading, a good knowledge of a range of authors, and be able to understand more about the world in which they live through the knowledge they gain from texts. By the end of their time at primary school, all children should be able to read fluently, and with confidence, in any subject.
